

## PLEDGE FORM

**WHAT IS ĀWHIO?** Āwhio is a Toi Māori Hub, hopefully, based at 16 Paru Paru Rd. This area 'Matangi Āwhio' was also an historical trading place. Āwhio/ Swirling winds also refers to the creative process that over 60 creatives will work through within this cultural hub.

Our charitable status is currently being worked on. We are asking for these donations as a pledge until this process is completed.

### VISION/ MOEMOEA

Whakatū Toi Māori is renowned for arts excellence that is thriving in contemporary and traditional artforms.

### MISSION STATEMENT

To provide an inclusive and culturally safe multipurpose facility that fosters, and celebrates Te Tauihu Toi Māori creativity, excellence and visibility of all Toi artforms in Whakatū.

We are seeking support to make this a reality.

Our annual operation costs are \$150k

This ideal venue has become available and we need to act now. Once we can show the property owner that we have sustainable funding, we can sign the lease. We are approaching you and others asking for donations. Your donation may be tax deductible as we are establishing a charitable Entity to support Āwhio.
