#### 4.0 Evaluation criteria

To assess and shortlist concept designs for the ReUse and Recycling Centre Mural/Artwork Project we will use the following criteria.

Please complete the table below referring to the Brief for more detailed information. You may provide additional documentation to support your submission.

Please note, shortlisted artists may be asked to provide additional information during the detailed scoping phase.

<b>Criteria and weighting</b>	<b>How you will meet or exceed the brief</b>
<p><u>Capability and capacity of the artist to deliver - 40%</u></p> <ul style="list-style-type: none"><li>• <i>Capability and capacity demonstrated by past achievements of similar projects.</i></li><li>• <i>Confidence in the affordability/deliverability of the proposal</i> <i>Confidence that the key delivery timeframes in the project can be achieved on time</i></li></ul>	

Design and Context  
Considerations – 50%

- *Design merit of the proposal in meeting the brief*  
*Appropriateness of the visual story and artistic merits of the design.*

Broader procurement objectives 10%

*The concept support broader Council procurement objectives such as increasing opportunities for local businesses, increasing skills and training in the region, improving conditions for local workers (e.g., living wage) and reducing emissions, waste and environmental pollution*

## 5.0 Price estimate excluding GST

--

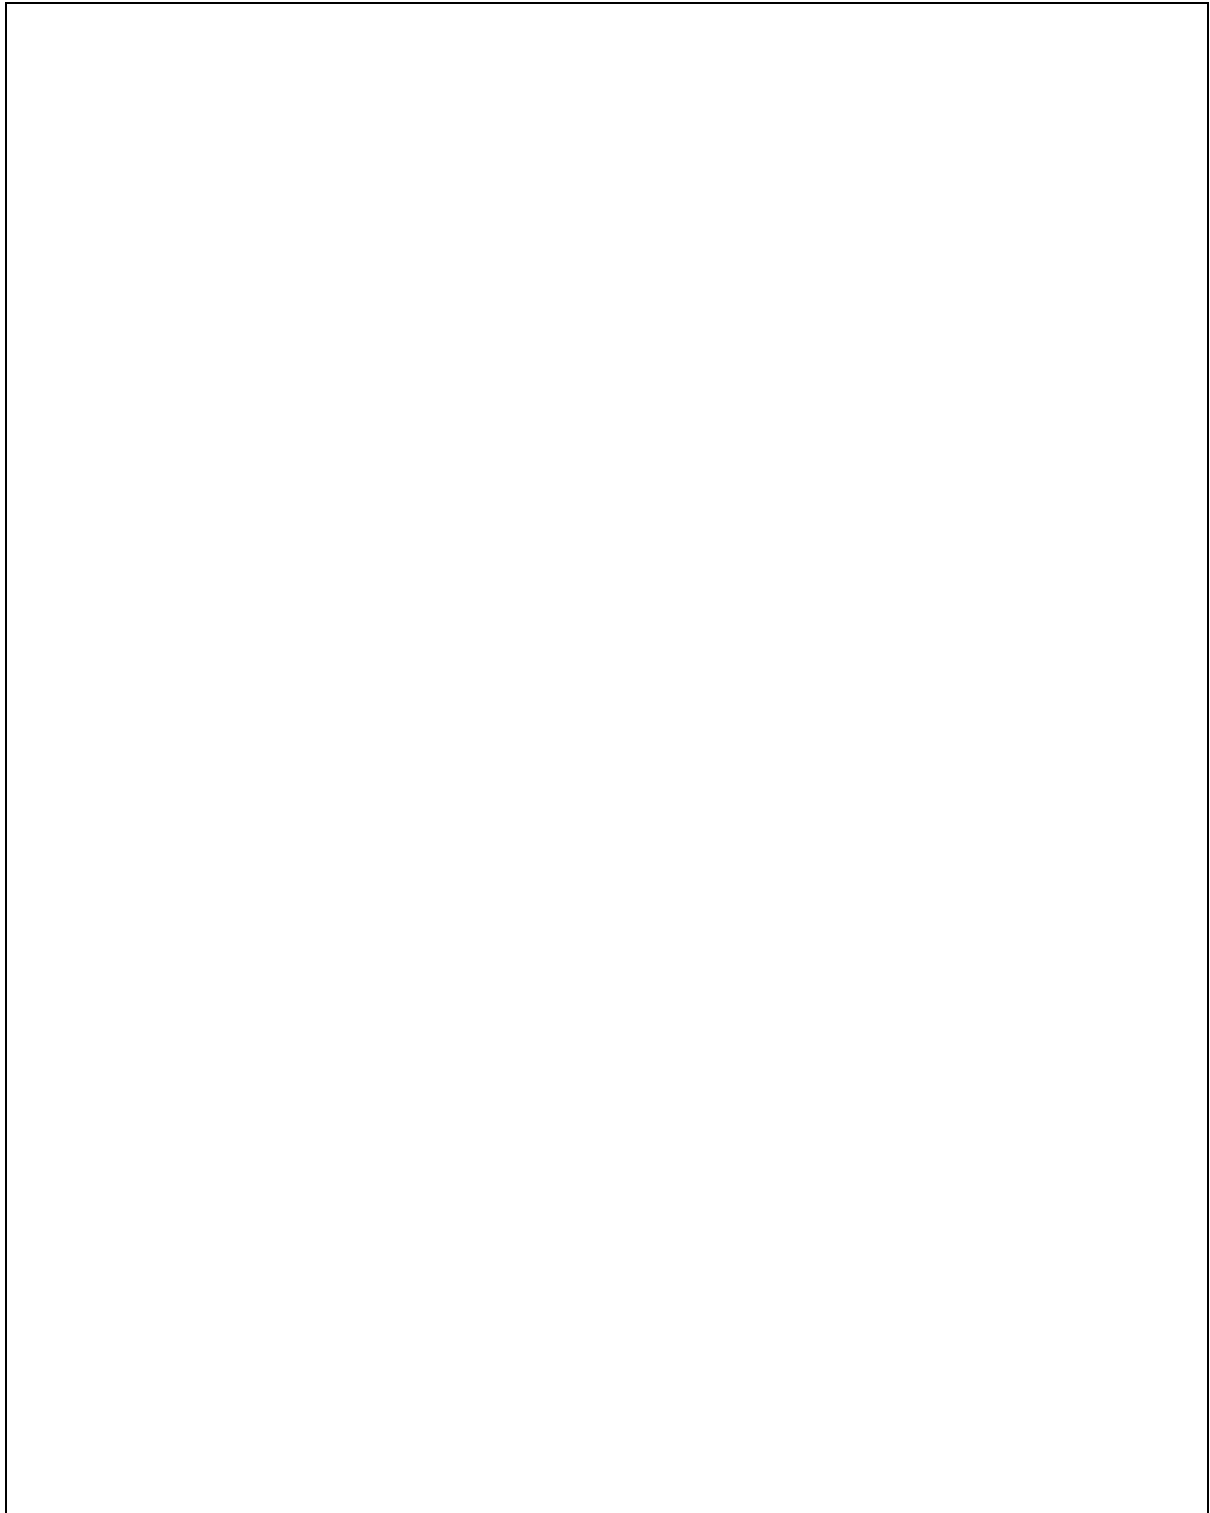

## 6.0 References

Please provide 2 references we may contact.

Name	Contact details

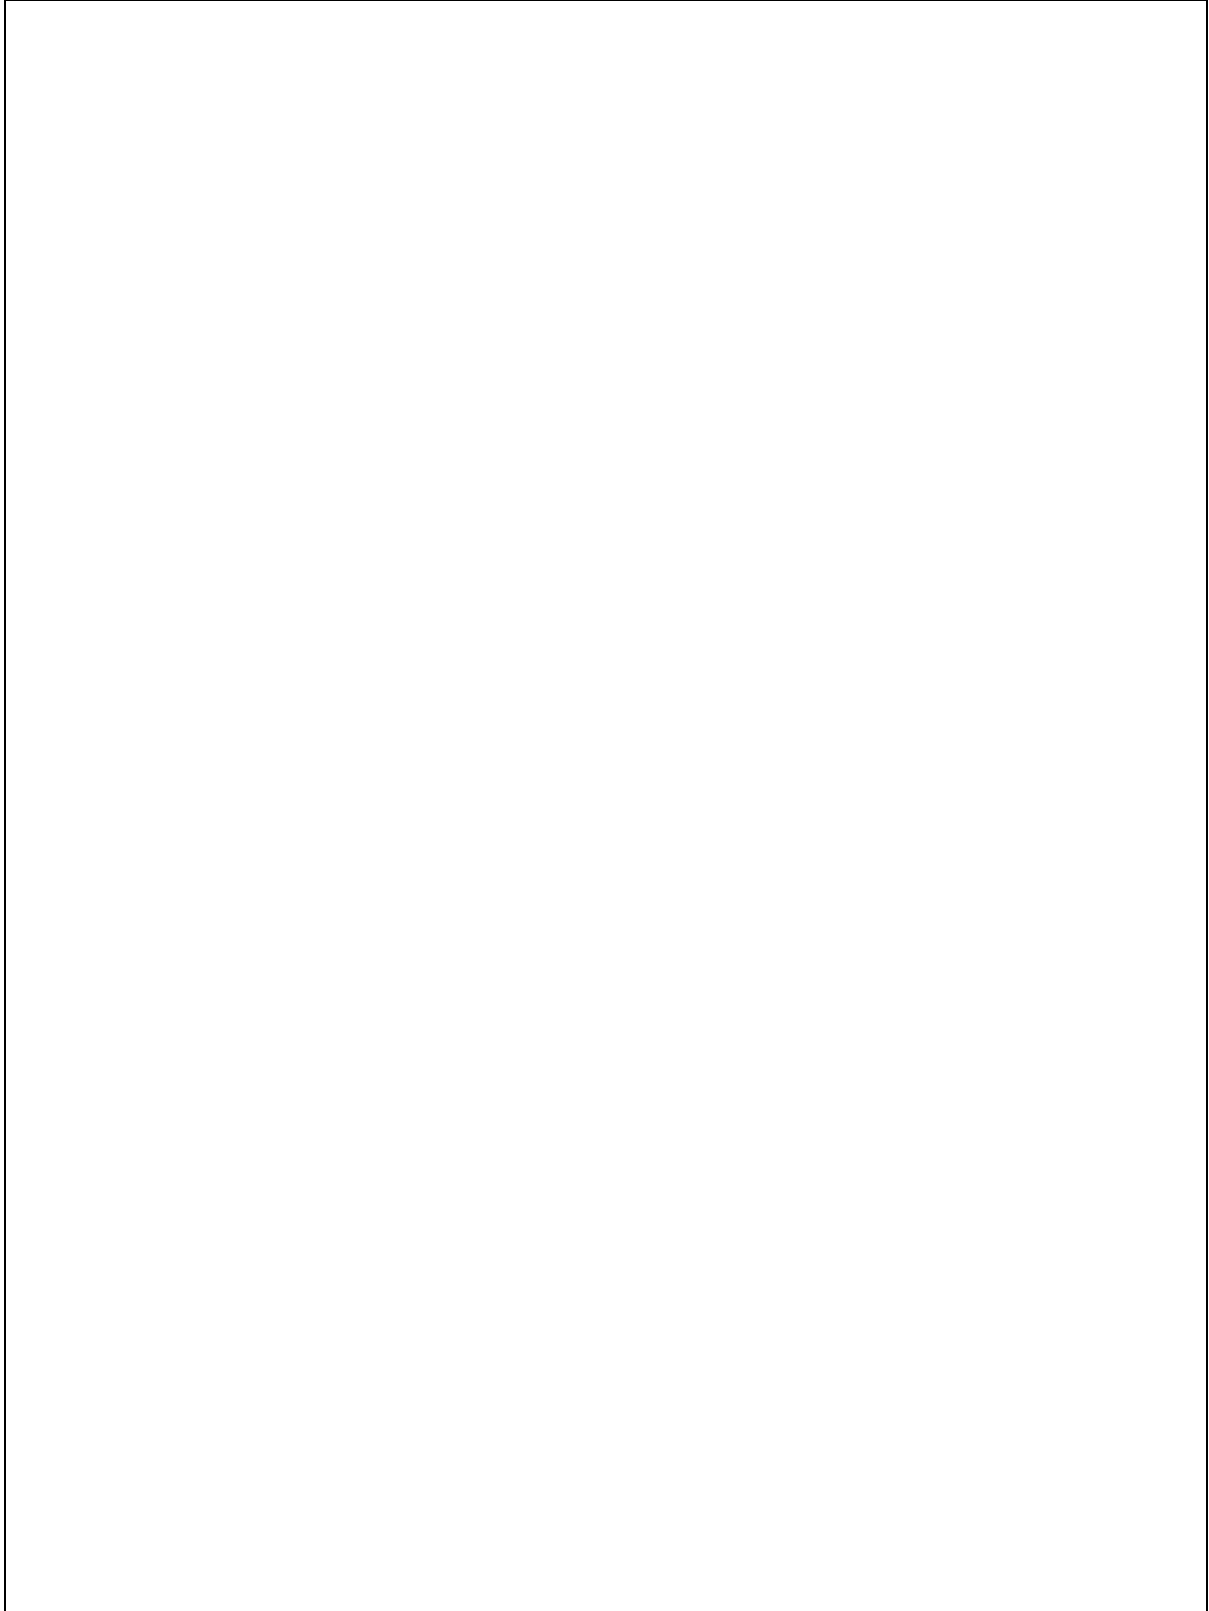

## 7.0 Concept/design representations/ideas

Please provide any design representations/ideas for your proposal. This is to include a written statement explaining the concept of your design, drawings, photographs, etc. Image files (Max 5mb) can be attached to your submission *in a separate document if desired*.
